

# Working For Milliner Talent Solutions Has Its Benefits

Many short-term and part-time jobs don't provide medical insurance or vacation pay. Because we understand how stressful and problematic that can be, we make sure you're covered.

## Health Insurance

Milliner Talent Solutions offers health insurance options to all Milliner employees via Essential StaffCARE. This gives you access to employee-paid, payroll-deducted insurance at a group rate with no waiting periods or pre-existing condition limitations.

- Dental
- Vision
- Term life insurance
- Short term disability

## Holiday Pay

Whether you're gathering around the picnic table or Christmas tree, time spent with family and friends should be something to celebrate—not stress over lost wages. To help, we provide holiday pay for current employees on assignment who've worked over 1,000 hours in the prior 52 weeks, and at least 24 hours the week before and after the eligible holiday.

- New Years' Day
- Memorial Day
- Fourth of July
- Labor Day
- Thanksgiving Day
- Christmas Day

## Vacation Pay

You value your time off. We value your commitment. At Milliner, many of our long-term contract employees receive vacation pay. Here's how it works: For every 1,700 hours you've worked during the previous 52 weeks, we provide one 40-hour week of pay at your current pay rate.

# \$100

## Referral Bonus

Refer a new candidate to us and after they complete a 40-hour assignment, we'll pay you \$100. There is no limit to this offer—or bonuses.
